

SMALL, WOMEN, AND MINORITY (SWAM) BUSINESS “MEET & GREET”

*Sponsored by the
Chesapeake Economic Development Department*

The event will focus on the \$150 Million worth of improvement projects planned for the Greenbrier TIF District. The City is aggressively seeking SWAM business participation in this important effort.

In 2004, the Chesapeake City Council established a tax increment financing (TIF) district to fund various public improvements in Greenbrier, Hampton Roads' largest business district. After years of planning and design, the City will soon embark on the construction phase of the implementation schedule.

This “Meet & Greet” will afford you the opportunity to learn about the Greenbrier TIF District and the various projects that will begin this summer and end in 2016. You will also have an opportunity to meet and network with Prime contractors from the Hampton Roads region. Presenters at the event will include Chesapeake's City Manager, Mr. William Harrell as well as representatives from the departments of Economic Development and Purchasing.
